

Dodeca Excel Add-In for Essbase

The Next Generation of a Classic

Familiar, yet updated and refined. Built for today... and for the future.

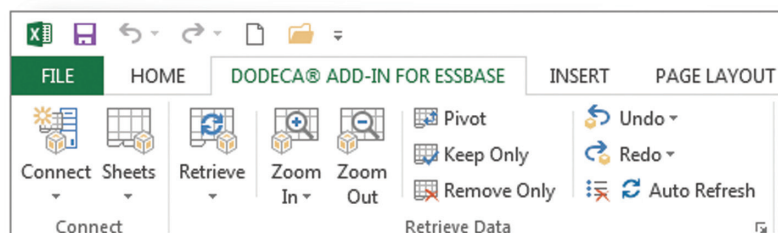

- ✓ Drop in replacement for the Classic Essbase Add-In
- ✓ High performance, comparable to the Classic Essbase Add-In
- ✓ Essbase 9.3.0 and higher
- ✓ Excel 2010, Excel 2013, and ready for Excel 2016
- ✓ Essbase Spreadsheet Toolkit / VBA support
- ✓ No training required

As the classic Essbase add-in fades into the sunset, there is an ever-growing demand and sense of urgency for a comparable product to provide the same ease of use and Essbase-centric ad-hoc capabilities within Excel. By leveraging the *state of the art* technology developed for our flagship product, the Dodeca Spreadsheet Management System, Applied OLAP is uniquely positioned to deliver the next generation of the classic Essbase add-in.

We are very pleased to introduce the ***Dodeca Excel Add-In for Essbase.***
